

New Products Now Available

Hello readers. November's *Scene* is here and we are introducing our latest product arrivals.

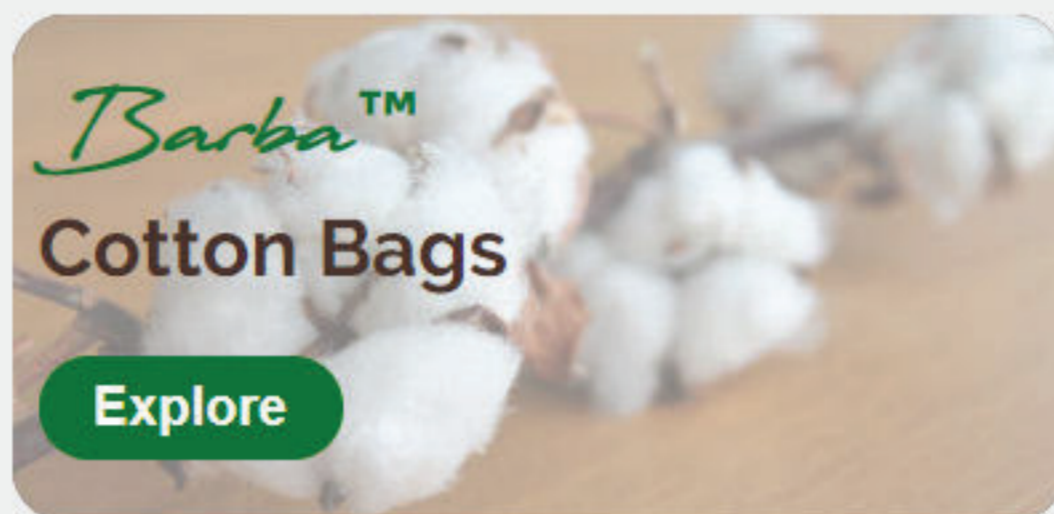

We have recently launched the first product from our organic lip balm range *Oris*™ and, we have also been gathering a lot of materials to make our new *Barba*™ bags. Jump right in below or continue reading for more details. We hope that you are as excited as we are!

100% Natural & Organic

Oris™ Unscented Organic Lip Balm

Introducing the first in our range of lip balms. Our unscented balm is handmade by us with only 4 key natural & organic ingredients. *Oris*™

Unscented can be used all over. We designed this balm without essential oils so that it is kind on sensitive skin and can help with skin complaints such as Eczema and Psoriasis. Plus, a little goes a long way!

[Get closer to *Oris*™](#)

What a great lip balm! Super nourishing and leaves my lips super soft! Plus it's the perfect size to pop in my handbag!

- S. BARBER

Recycled Organic Cotton Bags Not Just Any Old Cotton Bag

Barba™ Recycled Organic Shopping Tote Bags

100% recycled & Organic.

Cotton is a very demanding crop. In order to maximise how eco-friendly our cotton bags would be, we made the decision to only produce bags that reused existing cotton. Our bags are strong and durable.

Barba™ Recycled Organic Drawstring Bags

Strong & Versatile.

Just like our tote bags, the *Barba*™ drawstring stuff bag is a strong & durable natural bag. Designed to ensure you can reuse over & over again. Our bags are all natural and are not dyed.

I love my Barba bag! It is very strong, so I know I will get many many reuses out of it. I will take it everywhere!
